MARIA VARVAROI

FRONT-END DEVELOPER

PROFILE

I am a front-end developer, a web3 enthusiast and an entrepreneur, passionate about building things. I am also experienced in customer service, sales, and marketing.

SKILLS

Coding Languages
JavaScript, HTML/CSS, Solidity

Frameworks/Systems
ReactJS, GatsbyJS, NextJS, Material UI, Netlify, Contentful, Git, Figma, Canva

PERSONAL

I am a highly disciplined and avid learner.

My primary focus is on looking for opportunities in any situation and on finding solutions to problems. I don't give up easily.

I am a team player, looking for feedback as a great way to improve myself.
